

Dear Scholarship Donor,

Thank you so much for the scholarship donation. I greatly appreciate it. My name is Taylor Beall and I am from Pelham, Alabama. I have two older sisters who are currently in college also, so this scholarship helps my family out a lot. My dad lost his job this past year so we have been financially struggling lately. I have always wanted to attend The University of Alabama for as long as I can remember. My goal is to become a nurse, and nursing is my current major. I plan to work somewhere in the pediatric field.

The Capstone College of Nursing is a great school for me to be apart of here at Alabama. I hope to be promoted to the upper division after my sophomore year. Once again, thank you so much for the Shelby County Chapter Endowed Scholarship. It is greatly appreciated and I am so thankful to be able to receive it.

Sincerely,

Taylor Beall
